

## PARTNERSHIP FOR MISSIONAL CHURCH

Here are the activities Peace will engage in during the next five months:

- 1) We will continue plunging into our community—listening to people as they share their concerns, their hopes, and their spiritual outlook. We welcome new plungers to help in this process. We have found out that we often take part in these conversations without formally planning them.
- 2) The Missional Engagement Team will read the plunging reports and begin to form ideas to start an experiment in establishing a relationship with members of our community.
- 3) The Steering Committee will ask members to form a Hospitality Group. These hospitable members of our church will plan an event(s) to establish a deeper relationship with members of our community.
- 4) **The next meeting of the Steering Committee, MET, and Plungers will be Monday, January 5, at 6:30 P.M.** Everyone is welcome! If you have listened to somebody, please come. We'd love to hear from you.

Along with Pastor Morgan, the Steering Committee, the Missional Engagement Team, the Church Council, and the Plunging Team were all represented at the last meeting in Kansas City on December 5-6. We were pleased to find out that although the process has been slow, we are progressing more quickly than many other congregations. At worship on Sunday, we loved hearing the Scripture reading about God's time not being our time. We pray that God is setting the time for our missional engagement.

We ask for your prayers each day. Please pray that we will continue to obey God's will, that we will seek people whom God wants us to reach, and that the Holy Spirit will fill our congregation with steadfast love.

The next Kansas City gathering of the Partnership for Missional Church will take place on May 8-9.
